

Congratulations to all the winners of the 2015 Microsoft Partners' Star Awards!

In Singapore, Microsoft Partner Ecosystem consist of more than 1,400 partners, vendors and service providers that build or sell solutions based on Microsoft products. These partners are part of the Microsoft Partner Network also known as MPN, a program which is designed to make resources available to a wide variety of technology companies so they can build a business around Microsoft technologies and better serve our customers.

The **Microsoft Partners' Star Awards** recognise the achievements and contributions made by these partners throughout the year. This is our tribute to their professionalism and commitment.
